Just REPLY to this email with answers to the questions below:

Knowing some elements of this project are still to be decided, are you still interested in participating?

Answer:

What elements of this project are most appealing to you? (give two. i.e. I like the idea of being part of a film and not just getting a scene shot for my reel, and knowing the writing of the film will enable me to get two different "looks" or "types" on film...)

Answer:

Knowing this project will be filmed in LA, are travel and accomodations your primary concerns?

Answer:

Until we know how many people will be involved, it will be hard to know what kind of budget we will need to bring it all together. Chuck and Megan are enlightened with regard to that reality. Are you OK with your role being more than just that as "actor"? i.e. we will all be engaged in various elements of the project and thus get additional credits.

Answer:

If you can ask Megan and Chuck ONE question of your own, what would that question be?

Answer:

THANK YOU!
